

# GRADUATE STUDENT FINANCIAL WELLNESS

## INVEST IN YOUR FUTURE

REGISTER

Finances are a complex topic that cause anxiety for graduate students. Join us for a week-long series of workshops focused on improving your financial well-being! Ben Raines, Wellness Coordinator for Financial Education within the Student Wellness Center, will lead the series. Sign up for just one presentation, or as many as you would like! Presentations will be paired with at-home activities to improve financial savvy.

**Sessions will be offered daily November 16-20 over the lunch hour, from 12-1pm.**

16

### BUDGETING & FINANCIAL GOAL SETTING

Learn strategies to establish financial goals and make a plan to achieve them. Attendees will leave with actionable information on how to establish a budget, manage spending, and save money.

17

### STUDENT LOANS & DEBT REPAYMENT

Paying back student loans and other debt is a big concern of many graduate students. Learn your options for managing student loans after graduation and strategies to get out of debt.

18

### CREDIT CARDS & CREDIT SCORES

A good credit history can be an asset in borrowing money for a house or a car. Learn how to establish a good credit score, use credit cards strategically, and make the most of your credit history.

19

### INVESTING

401ks, IRAs, ETFs: starting to invest can be overwhelming. Learn simple, practical investment strategies to invest to build wealth and to save for retirement.

20

### SAVING TOWARDS A GOAL: HOME BUYING

Buying a home is a dream for many people. Learn about what to consider financially when planning to purchase a home and local resources available in Columbus to assist first time home buyers.

**THE OHIO STATE UNIVERSITY**
