

## Graduate Student Advisory Committee Official Application

Thank you for your interest in participating as a member of the **Graduate Student Advisory Committee!** Please answer the following questions to the best of your ability and submit this form to your specific Graduate Program Coordinator or the CFAES Graduate Education Coordinator.

Name:

Department:

Campus:

Degree Pursued:

Anticipated graduation term:

Note, the **minimum commitment** for a master's student is one full academic year or 2 full academic years for a doctoral student. This includes a time commitment of at least 4 hours per month during autumn and spring semesters, as well as a minimum of one meeting over the summer term.

Part of your role as a council member will be to communicate and share information between graduate students in your department and the group. Do you feel confident representing all students within your department (not just within your program)? Please elaborate if necessary.

Why would you like to join the committee?

Please list your leadership experience at a departmental, college, or university level:

Please list any leadership experience outside a university system (after high school only):
